DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

Commissioner for Patents

***Response to Amendment***

1. The reply filed on 5/29/07 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The amendment appears to be a response to the previous Examiner's Office Action (mailed on 3/2/07) and does not address any of the issues raised in the Office Action mailed on April 19, 2007. The Office Action raised issues regarding drawing and specification deficiencies and 35 USC 102 and 103 rejections of the claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment.  
**EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**
2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rinaldi I. Rada whose telephone number is 571-272-4467. The examiner can normally be reached on Monday through Thursday from 8:00 to 5:30.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only.

Application/Control Number: 10/719,445
